SPRING 2021

2021 - A year for COVID to end?

As I write this newsletter, mid-March 2021, we have all been through a wrenching 2020 Covid year. With the rollout of vaccines promised for all for 2021, we might be able to start to reassemble our lives and move forward. Our community became closer as we reached out to one another, walked countless miles just to be outside, as we welcomed the change of seasons.

A recent incident highlighted our community spirit when two neighbors dogs one loose and the other lost, both deaf, and one nearly blind. Several neighbors joined in the hunt, I realized that without a phone number to call for either, the emails address I had for one owner was useless. We all need contact information for our neighbors in case of emergencies or such. None of us needs to be isolated, we are all here to reach out and help. And yes, both dogs were happily reunited with their owners.

Kindness abounds and enriches the hearts of all. I don't know who first penned or spoke this sentiment, but it applies to 2021: "Do what you can, where you are, with what you have." Continue to stay safe for yourself, your family, for all of us, and our community, our nation, and the planet. Make COVID yesterday's news.

THE ANNUAL ASSOCIATION MEETING IS DELAYED DUE TO THE COVID RESTRICTIONS - WHEN THEY ARE LIFTED, A SUNDAY AFTERNOON MEETING IN SUMMER OR EARLY FALL 2021 WILL BE ANNOUNCED.

How do I contact the Association?

Visit our website www.RavenwoodForest.org which has a contact form for reaching out to any board member with a comment, problem, or to volunteer. You can also update your email address for Association updates (we send only BCC emails to preserve and protect your privacy and security-we don't share your email address.)
