SNOW Removal, DOT and us...

One of the projects your new Association Board researched was supplementing DOT's snow removal services, as we all know, neighborhood roads are lower in priority than the main roads. We were informed that DOT's snow removal guidelines require privately engaged contractors to be approved per their guidelines (liability/damages etc.)

Some good news: DOT will be running a test project involving private contractors for large neighborhoods (maybe us too!) for the 2017-2018 winter. The Board is hoping the test proves successful and the Association Board can add Ravenwood to the DOT list. We will keep you updated.

LET'S TALK ABOUT GARBAGE...

Bet you didn't know that every week there are 6-7 garbage pick-up services in Ravenwood-that means 12-14 garbage/recycling trucks every single week. Yikes!!

Etowah Lions is the overwhelming predominate garbage service, with Waste Pro a distant second. For the 50± homes that use the services, 5 of the companies serve only 1 or 2 homes. A huge waste of fuel and time, not to mention the wear and tear on our roads.

The Association is conducting an anonymous survey online to gauge interest in narrowing our garbage services to perhaps two, or better yet, just one service. <https://www.surveymonkey.com/r/Q6S5CLT>

Tip: Don't feed the bears, take in all pet food or bird seed overnight. We all thank you.

CAN RAVENWOOD ASSOCIATION REACH 100% SUPPORT AND PARTICIPATION?

Nearly 70% of the home-and landowners have a voice in the direction of this community by being paid members of the Ravenwood Property Owners Association. \$50 is the total cost annually - that's only 17¢ a day! Amazing! And we make it simple to join, online at RavenwoodForest.org, using your credit/debit card, securely and safely at PayPal.com, (you don't need to have a PayPal account.) So, take a minute and join your neighbors in helping keep our community a wonderful place to live.
